2021 Annual Report of Sexual Assault Data Findings and Corrective Actions

I Introduction

The Prince William-Manassas Regional Detention Center (PWMRADDC) has a zero-tolerance policy toward sexual abuse and sexual harassment in our facilities. The Adult Detention Center will comply and enforce all federal, state and local laws pertaining to sexual abuse. The agency is committed to the prevention, detection, response and investigation of sexual misconduct.

This collection of information is compared to previous years' data and utilized by the Department's Prison Rape Elimination Act Coordinators to identify potential issues or areas of concern and formulate corrective responses to reduce victimization of sexual abuse.

The data collected is also available for use by the US Department of Justice for completion of the Survey of Sexual Violence (SSV).

This report has been approved by the Superintendent and all data in this report will be maintained on the website for at least ten years after the date of the initial collection.

II. Prevention

All allegations will be fully investigated, which includes those of sexual abuse and sexual harassment, by the Internal Affairs Division of the Prince William-Manassas Region Adult Detention Center and or the Prince William County Police Department.

In compliance with the Prison Rape Elimination Act (PREA) standards, we have implemented several procedures for the prompt reporting of allegations of alleged sexual offences.

Inmates may report instances of non-consensual sexual acts, abusive sexual contacts, staff sexual misconduct, or staff sexual harassment, to any staff member, volunteer or contact worker or third party. The inmate may do so verbally, or in writing. Inmates have the ability to use grievance forms, request forms and confidential reporting hotlines to report any instances of sexual abuse and rape within the jail. All efforts will be made to ensure the confidentiality of the reporting inmate.

Confidential Reporting Hotlines:

- * PREA Hotline: 703-792-4090
- * PREA E-Mail: adcprea@pwcgov.org

III. Education

The agency has taken a pro-active stance in educating all visitors, contractors, and vendors that are in contact with the inmate population. All Adult Detention Center staff have been trained in prevention, detection and investigation of sexual related incidents. The inmates are also educated to their rights to be free of any form of sexual abuse. Any substantiated instances of sexual abuse relating to inmate, staff/volunteer/vendor/contractor to inmate will be prosecuted to the fullest extent of the law as well as any false allegations of sexual abuse.
