MODEL EMERGENCY TRANSFER PLAN FOR VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLECE, SEXUAL ASSAULT, OR STALKING

#### Prince William Area Continuum of Care Housing Providers with ESG and CoC Program Funds Emergency Transfer Plan for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking

#### All Emergency Solutions Grant (ESG) and Continuum of Care (CoC) Program Housing Providers

(HP) are concerned about the safety of their tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act (VAWA),<sup>1</sup> HP allows any tenant who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant's current unit to another unit. Despite this law's name, VAWA protections are not limited to women and are available regardless of a victim's sex, actual or perceived gender identity or sexual orientation, or marital status. Victims cannot be discriminated against based on any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must also be made available to all otherwise eligible individuals and families regardless of actual or perceived gender identity.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to tenants on safety and security. This plan is based on Federal regulations at 24 Code of Federal Regulations (CFR) part 5, subpart L, related program regulations, and the model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD). HUD is the federal agency that oversees that the Prince William Area (PWA) Continuum of Care (CoC) is in compliance with VAWA.

#### Definitions

**Internal emergency transfer** refers to an emergency relocation of a participant to another assisted unit within the inventory of their current HP. The transfer can be performed without the tenant reapplying for housing assistance.

**External emergency transfer** refers to an emergency relocation of a participant to another assisted unit outside the inventory of their current housing provider, where the tenant would be categorized as a new applicant. For example, a move from Property A to Property B is an external transfer – this also means that the household goes from being a tenant at Property A to an applicant at Property B.

<u>Safe unit</u> refers to a unit that the victim of domestic violence believes is safe.

The ability to request a transfer is available regardless of sex, gender identity, or sexual orientation.<sup>2</sup> The ability of HP to honor such requests for tenants currently receiving assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence, dating violence,

<sup>&</sup>lt;sup>1</sup> Despite the name of this law, VAWA protection is available to all victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

<sup>&</sup>lt;sup>2</sup> Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

sexual assault, or stalking, and on whether HP has another dwelling unit that is available and is safe to offer the tenant for temporary or more permanent occupancy.

#### Notification of Occupancy Rights under VAWA, and Certification Form

HP must provide to each of its applicants and to each of its tenants the notice of occupancy rights and the certification form as described in this section:

1. A "Notice of Occupancy Rights under the Violence Against Women Act," (<u>HUD-5380</u>) as prescribed and in accordance with directions provided by HUD, that explains the VAWA protections under this policy, including the right to confidentiality, and any limitations on those protections; and

2. A certification form, (<u>HUD-5382</u>), which may be completed by the victim to document an incident of domestic violence or protective order, police report, or HP verification letter that:

(i) States that the applicant or tenant is a victim of domestic violence, dating violence, sexual assault, or stalking;

(ii) States that the incident of domestic violence that is the ground for protection under this subpart meets the applicable definition for such an incident under 24 CFR § 5.2003; and (iii) Includes the name of the individual who committed the domestic violence if the name is known and safe to provide.

The notice and certification form must be provided to an applicant or tenant no later than at each of the following times:

1. At the time the applicant is denied assistance or admission under a covered HP;

2. At the time the tenant is provided assistance or admission under the covered HP;

3. With any notification of eviction or notification of termination of assistance

Attachment I will be provided by the HP to the tenant with a copy of the ETP, HUD-5380 and HUD-5382).

The notice and certification forms are available in multiple languages at <u>https://www.hud.gov/program\_offices/administration/hudclips/forms/hud5</u>, and hard copies must be provided to participants in the appropriate language as needed.

#### **Contract/Lease Provisions**

A contract or lease between HP and a landlord must be in place and must include

1. The requirement to comply with 24 CFR part 5, subpart L(Attachment A);

2. Provision of the Notice of Occupancy Rights and Certification Form described above with any notification of eviction;

3. The landlord's obligation to comply with the confidentiality requirements under 24 CFR 5.2007(c);

4. Landlords may use HUD's VAWA Lease Addendum if their current lease does not comply with VAWA regulations. HUD's VAWA Lease Addendum (Attachment E). The lease may specify that the protections under 24 CFR part 5, subpart L and above, only apply while the program participant receives tenant-based rental assistance under the Continuum of Care or Emergency Solutions Grant Program.

Any lease, sublease or occupancy agreement between HP and the participant must include a provision stating all requirements that apply to tenants, the owner or the lease under 24 CFR part 5, subpart L, as supplemented by 24 CFR 576 and 578 as applicable, including the prohibited bases for eviction and restrictions on construing lease terms under 24 CFR 5.2005(b) and (c). The lease, sublease, and occupancy agreement may specify that the protections under 24 CFR part 5, subpart L, apply only during the period of assistance under the Continuum of Care or Emergency Solutions Grant Program, as

applicable. The period of assistance for housing where grant funds were used for acquisition, construction, or rehabilitation is 15 years from the date of initial occupancy or date of initial service provision.

Site-based projects must require that any lease, sublease, or occupancy agreement with a program participant permits the program participant to terminate the lease, sublease, or occupancy agreement without penalty if HP determines that the program participant qualifies for an emergency transfer under this plan.

#### **Eligibility for Emergency Transfers**

A project participant who has experienced domestic violence, dating violence, sexual assault, or stalking, as provided in HUD's regulations at 24 CFR part 5, subpart L, is eligible for an emergency transfer, if:

- The project participant reasonably believes that there is a threat of imminent harm from further violence if the project participant remains within the same unit; or
- The project participant has experienced sexual assault, then the project participant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer.

A project participant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan. Project participants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.

#### **Emergency Transfer Request Documentation**

To request an emergency transfer, a project participant, or someone acting on behalf of the project participant who is requesting the transfer, must submit a written request for an Emergency Transfer. Written requests for an Emergency Transfer should be submitted to the CoC Program-funded HP, not to the housing owner or landlord, and the project staff will work with the owner or landlord to facilitate the transfer on the participant's behalf. The participant may, but is not required, to use the Emergency Transfer Request form provided (Attachment D). The HP will offer reasonable accommodations to this policy for individuals with disabilities or those who need assistance due to other barriers. The project participant's written request for an emergency transfer should include either:

- A statement expressing that the project participant reasonably believes that there is a threat of imminent harm from further violence if the project participant were to remain in the same dwelling unit assisted under the housing project; OR
- A statement that the participant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the participant's request for an emergency transfer.

The HP may request additional documentation from a participant, in accordance with the documentation policies of HUD's regulations at 24 CFR part 5, subpart L. The housing project may use HUD forms 5382 and 5383 (Attachment C & D) to document requests for an emergency transfer and to document incidents of domestic violence. The participant may choose what documentation to provide from the list established by HUD, and the housing project must accept the participant's choice of documentation.

#### Confidentiality

HP will keep confidential any information that the tenant submits in requesting an emergency transfer, and information about the emergency transfer, unless the tenant gives HP written permission to release the information on a time-limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the tenant if one is provided, from the person(s) that committed an act(s) of domestic violence, dating violence, sexual assault, or stalking against the tenant. See the Notice of Occupancy Rights under the Violence Against Women Act

for more information about HP's responsibility to maintain the confidentiality of information related to incidents of domestic violence, dating violence, sexual assault, or stalking.

#### **Emergency Transfer Timing and Availability**

HP cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. HP will, however, act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability and safety of a unit. If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to a different unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has been transferred. HP may be unable to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.

<u>Immediate internal transfer</u>: The safety of the tenant is paramount in the implementation of the ETP. Immediate transfer (within 3 business days) upon availability of safe units and verification of eligibility is anticipated.

Tenant transfer to a temporary safe housing location may be necessary for safety. In these instances, the HP will coordinate transfer to safety that may involve movement between housing types (such as moving from a permanent, or marketplace unit to an emergency safe house or sponsor-based facility). Immediate placement with a known hotel-motel provider will be used as a last resort and will be limited only to the time necessary to locate a more secure setting and will be determined by funding availability.

Site-based housing projects must allow a tenant to make an internal transfer under VAWA when a safe unit is immediately available within the same project. If a safe unit is not immediately available, HP must contact the Coordinated Entry Human Services Program Manager and Human Services Manager by completing the PWA CoC ETP External Transfer Form (Attachment F) or to arrange for an external transfer to a safe unit in a different housing project, whether it be with the same HP or a partner agency. Tenant-based housing projects also must allow a tenant to make an internal emergency transfer to a safe unit. If a safe unit is not immediately available for an internal transfer, HP must contact Human Services Program Manager and Human Services Manager to prioritize a tenant for an external transfer into a different housing project. CoC-funded tenant-based rental assistance programs may use CoC or ESG program funds to pay amounts owed for participants breaking the lease if the household or tenant qualifies for an emergency transfer under this plan. At the tenant's request, HP will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence that are attached to this plan. The Human Services Program Manager and Human Service Manager will prioritize tenants who require an emergency transfer to a safe unit over all other applicants. Nothing may prevent a tenant of a site-based project from seeking both an internal and external transfer concurrently if a safe unit is not immediately available.

For both site-based and tenant-based housing projects, when allowing an internal or external transfer, nothing in this policy may be construed to supersede eligibility or other occupancy requirements of a project. The tenant may not be required to meet any eligibility criteria or preferences unless it is covered by law, regulation, or HUD Notice of Funding Availability (NOFA). The tenant shall retain their original homeless or chronically homeless status for the purpose of the transfer.

In cases where a household receiving participant-based rental assistance separates in order to initiate an emergency transfer, the housing project will work with the Coordinated Entry Human Services Program Manager to determine the appropriate actions with respect to the non-transferring family member(s). All confidentiality provisions apply to the victim in this situation.

#### **Tracking Requests and Outcomes**

All covered HP must maintain records on emergency transfers requested under 24 CFR 5.2005(e). Data must include the number of emergency transfers requested and the outcomes of each request. The data is required to be reported to HUD annually. HPs in the PWA CoC will track the number of Emergency Transfers requested and their outcomes using the Emergency Transfer Requests and Outcomes Log (Attachment H). For confidentiality, covered HP should record and keep only the information listed in the log for 5 years. All confidentiality provisions apply.

#### **Relationship to Other Policies**

#### Virginia Civil Code

Virginia Civil Code (§ 55.1-1236) allows any tenant who is a victim of domestic violence, sexual abuse, or other criminal sexual assault may terminate such tenant's obligations under a rental agreement. This law empowers survivors to leave abusive situations while avoiding the usual penalties associated with breaking a lease. Personnel involved in implementing emergency transfers for tenants for HUD housing assistance will comply with this code.

Case managers and other HPs will assist HUD-assisted households in early termination of a lease when necessary, by (1) advising tenants of their rights and offering written information and (2) informing landlords of this Civil Code.

#### Safety and Security of Tenants

Pending processing of the transfer and the actual transfer, if it is approved and occurs, the tenant is urged to take all reasonable precautions to be safe.

Tenants who are or have been victims of domestic violence are encouraged to contact the National Domestic Violence Hotline at 1-800-799-7233, for assistance in creating a safety plan. For persons with hearing impairments, that hotline can be accessed by calling 1-800-787-3224 (TTY).

Tenants who have been victims of sexual assault may call the Rape, Abuse & Incest National Network's National Sexual Assault Hotline at 800-656-HOPE or visit the online hotline at https://ohl.rainn.org/online/.

Tenants who are or have been victims of stalking seeking help may visit the National Center for Victims of Crime's Stalking Resource Center at <u>https://www.victimsofcrime.org/our-programs/stalking-resource-</u>center.

# Subpart L—Protection for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking

SOURCE: 81 FR 80798, Nov. 16, 2016, unless otherwise noted.

#### §5.2001 Applicability.

(a) This subpart addresses the protections for victims of domestic violence, dating violence, sexual assault, or stalking who are applying for, or are the beneficiaries of, assistance under a HUD program covered by the Violence Against Women Act (VAWA), as amended (42 U.S.C. 13925 and 42 U.S.C. 14043e *et seq.*) ("covered housing program," as defined in §5.2003). Notwithstanding the title of the statute, protections are not limited to women but cover victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation. Consistent with the nondiscrimination and equal opportunity requirements at 24 CFR 5.105(a), victims cannot be discriminated against on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD programs must also be operated consistently with HUD's Equal Access Rule at §5.105(a)(2), which requires that HUD-assisted and HUD-insured housing are made available to all otherwise eligible individuals and families regardless of actual or perceived sexual orientation, gender identity, or marital status.

(b)(1) The applicable assistance provided under a covered housing program generally consists of two types of assistance (one or both may be provided): Tenant-based rental assistance, which is rental assistance that is provided to the tenant; and project-based assistance, which is assistance that attaches to the unit in which the tenant resides. For project-based assistance, the assistance may consist of such assistance as operating assistance, development assistance, and mortgage interest rate subsidy.

(2) The regulations in this subpart are supplemented by the specific regulations for the HUDcovered housing programs listed in §5.2003. The program-specific regulations address how certain VAWA requirements are to be implemented and whether they can be implemented (for example, reasonable time to establish eligibility for assistance as provided in §5.2009(b)) for the applicable covered housing program, given the statutory and regulatory framework for the program. When there is conflict between the regulations of this subpart and the program-specific regulations, the programspecific regulations govern. Where assistance is provided under more than one covered housing program and there is a conflict between VAWA protections or remedies under those programs, the individual seeking the VAWA protections or remedies may choose to use the protections or remedies under any or all of those programs, as long as the protections or remedies would be feasible and permissible under each of the program statutes.

#### §5.2003 Definitions.

The definitions of *PHA*, *HUD*, *household*, and *other person under the tenant's control* are defined in subpart A of this part. As used in this subpart L:

Actual and imminent threat refers to a physical danger that is real, would occur within an immediate time frame, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include: The duration of the risk, the nature and severity of the potential harm, the likelihood that the potential harm will occur, and the length of time before the potential harm would occur.

Affiliated individual, with respect to an individual, means:

(1) A spouse, parent, brother, sister, or child of that individual, or a person to whom that individual stands in the place of a parent or guardian (for example, the affiliated individual is a person in the care, custody, or control of that individual); or

(2) Any individual, tenant, or lawful occupant living in the household of that individual.

*Bifurcate* means to divide a lease as a matter of law, subject to the permissibility of such process under the requirements of the applicable HUD-covered program and State or local law, such that certain tenants or lawful occupants can be evicted or removed and the remaining tenants or lawful occupants can continue to reside in the unit under the same lease requirements or as may be revised depending upon the eligibility for continued occupancy of the remaining tenants and lawful occupants.

Covered housing program consists of the following HUD programs:

(1) Section 202 Supportive Housing for the Elderly (12 U.S.C. 1701q), with implementing regulations at 24 CFR part 891.

(2) Section 811 Supportive Housing for Persons with Disabilities (42 U.S.C. 8013), with implementing regulations at 24 CFR part 891.

(3) Housing Opportunities for Persons With AIDS (HOPWA) program (42 U.S.C. 12901 *et seq.*), with implementing regulations at 24 CFR part 574.

(4) HOME Investment Partnerships (HOME) program (42 U.S.C. 12741 *et seq.*), with implementing regulations at 24 CFR part 92.

(5) Homeless programs under title IV of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11360 *et seq.*), including the Emergency Solutions Grants program (with implementing regulations at 24 CFR part 576), the Continuum of Care program (with implementing regulations at 24 CFR part 578), and the Rural Housing Stability Assistance program (with regulations forthcoming).

(6) Multifamily rental housing under section 221(d)(3) of the National Housing Act (12 U.S.C. 17151(d)) with a below-market interest rate (BMIR) pursuant to section 221(d)(5), with implementing regulations at 24 CFR part 221.

(7) Multifamily rental housing under section 236 of the National Housing Act (12 U.S.C. 1715z-1), with implementing regulations at 24 CFR part 236.

(8) HUD programs assisted under the United States Housing Act of 1937 (42 U.S.C. 1437 *et seq.*); specifically, public housing under section 6 of the 1937 Act (42 U.S.C. 1437d) (with regulations at 24 CFR Chapter IX), tenant-based and project-based rental assistance under section 8 of the 1937 Act (42 U.S.C. 1437f) (with regulations at 24 CFR chapters VIII and IX), and the Section 8 Moderate Rehabilitation Single Room Occupancy (with implementing regulations at 24 CFR part 882, subpart H).

(9) The Housing Trust Fund (12 U.S.C. 4568) (with implementing regulations at 24 CFR part 93).

*Covered housing provider* refers to the individual or entity under a covered housing program that has responsibility for the administration and/or oversight of VAWA protections and includes PHAs, sponsors, owners, mortgagors, managers, State and local governments or agencies thereof, nonprofit or for-profit organizations or entities. The program-specific regulations for the covered housing programs identify the individual or entity that carries out the duties and responsibilities of the covered housing provider as set forth in part 5, subpart L. For any of the covered housing programs, it is possible that there may be more than one covered housing provider; that is, depending upon the VAWA duty or responsibility to be performed by a covered housing provider, the covered housing provider may not always be the same individual or entity.

Dating violence means violence committed by a person:

(1) Who is or has been in a social relationship of a romantic or intimate nature with the victim; and

(2) Where the existence of such a relationship shall be determined based on a consideration of the following factors:

- (i) The length of the relationship;
- (ii) The type of relationship; and
- (iii) The frequency of interaction between the persons involved in the relationship.

Domestic violence includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction. The term "spouse or intimate partner of the victim" includes a person who is or has been in a social relationship of a romantic or intimate nature with the victim, as determined by the length of the relationship, the type of the relationship, and the frequency of interaction between the persons involved in the relationship.

*Sexual assault* means any nonconsensual sexual act proscribed by Federal, tribal, or State law, including when the victim lacks capacity to consent.

*Stalking* means engaging in a course of conduct directed at a specific person that would cause a reasonable person to:

- (1) Fear for the person's individual safety or the safety of others; or
- (2) Suffer substantial emotional distress.

VAWA means the Violence Against Women Act of 1994, as amended (42 U.S.C. 13925 and 42 U.S.C. 14043e *et seq.*).

#### §5.2005 VAWA protections.

(a) *Notification of occupancy rights under VAWA, and certification form.* (1) A covered housing provider must provide to each of its applicants and to each of its tenants the notice of occupancy rights and the certification form as described in this section:

(i) A "Notice of Occupancy Rights under the Violence Against Women Act," as prescribed and in accordance with directions provided by HUD, that explains the VAWA protections under this subpart, including the right to confidentiality, and any limitations on those protections; and

(ii) A certification form, in a form approved by HUD, to be completed by the victim to document an incident of domestic violence, dating violence, sexual assault or stalking, and that:

(A) States that the applicant or tenant is a victim of domestic violence, dating violence, sexual assault, or stalking;

(B) States that the incident of domestic violence, dating violence, sexual assault, or stalking that is the ground for protection under this subpart meets the applicable definition for such incident under §5.2003; and

(C) Includes the name of the individual who committed the domestic violence, dating violence, sexual assault, or stalking, if the name is known and safe to provide.

(2) The notice required by paragraph (a)(1)(i) of this section and certification form required by paragraph (a)(1)(ii) of this section must be provided to an applicant or tenant no later than at each of the following times:

(i) At the time the applicant is denied assistance or admission under a covered housing program;

(ii) At the time the individual is provided assistance or admission under the covered housing program;

(iii) With any notification of eviction or notification of termination of assistance; and

(iv) During the 12-month period following *December 16, 2016,* either during the annual recertification or lease renewal process, whichever is applicable, or, if there will be no recertification or lease renewal for a tenant during the first year after the rule takes effect, through other means.

(3) The notice required by paragraph (a)(1)(i) of this section and the certification form required by paragraph (a)(1)(ii) of this section must be made available in multiple languages, consistent with guidance issued by HUD in accordance with Executive Order 13166 (Improving Access to Services for Persons with Limited English Proficiency, signed August 11, 2000, and published in the FEDERAL REGISTER on August 16, 2000 (at 65 FR 50121).

(4) For the Housing Choice Voucher program under 24 CFR part 982, the project-based voucher program under 24 CFR part 983, the public housing admission and occupancy requirements under 24 CFR part 960, and renewed funding or leases of the Section 8 project-based program under 24 CFR parts 880, 882, 883, 884, 886, as well as project-based section 8 provided in connection with housing under part 891, the HUD-required lease, lease addendum, or tenancy addendum, as applicable, must include a description of specific protections afforded to the victims of domestic violence, dating violence, sexual assault, or stalking, as provided in this subpart.

(b) Prohibited basis for denial or termination of assistance or eviction—(1) General. An applicant for assistance or tenant assisted under a covered housing program may not be denied admission to, denied assistance under, terminated from participation in, or evicted from the housing on the basis or as a direct result of the fact that the applicant or tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, if the applicant or tenant otherwise qualifies for admission, assistance, participation, or occupancy.

(2) *Termination on the basis of criminal activity.* A tenant in a covered housing program may not be denied tenancy or occupancy rights solely on the basis of criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking if:

(i) The criminal activity is engaged in by a member of the household of the tenant or any guest or other person under the control of the tenant, and

(ii) The tenant or an affiliated individual of the tenant is the victim or threatened victim of such domestic violence, dating violence, sexual assault or stalking.

(c) *Construction of lease terms and terms of assistance.* An incident of actual or threatened domestic violence, dating violence, sexual assault, or stalking shall not be construed as:

(1) A serious or repeated violation of a lease executed under a covered housing program by the victim or threatened victim of such incident; or

(2) Good cause for terminating the assistance, tenancy, or occupancy rights under a covered housing program of the victim or threatened victim of such incident.

(d) *Limitations of VAWA protections.* (1) Nothing in this section limits the authority of a covered housing provider, when notified of a court order, to comply with a court order with respect to:

(i) The rights of access or control of property, including civil protection orders issued to protect a victim of domestic violence, dating violence, sexual assault, or stalking; or

(ii) The distribution or possession of property among members of a household.

(2) Nothing in this section limits any available authority of a covered housing provider to evict or terminate assistance to a tenant for any violation not premised on an act of domestic violence, dating violence, sexual assault, or stalking that is in question against the tenant or an affiliated individual of the tenant. However, the covered housing provider must not subject the tenant, who is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, or is affiliated with an individual who is or has been a victim of domestic violence, dating violence, dating violence, sexual assault or stalking, to a more demanding standard than other tenants in determining whether to evict or terminate assistance.

(3) Nothing in this section limits the authority of a covered housing provider to terminate assistance to or evict a tenant under a covered housing program if the covered housing provider can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to property of the covered housing provider would be present if that tenant or lawful occupant is not evicted or terminated from assistance. In this context, words, gestures, actions, or other indicators will be considered an "actual and imminent threat" if they meet the standards provided in the definition of "actual and imminent threat" in §5.2003.

(4) Any eviction or termination of assistance, as provided in paragraph (d)(3) of this section should be utilized by a covered housing provider only when there are no other actions that could be taken to reduce or eliminate the threat, including, but not limited to, transferring the victim to a different unit, barring the perpetrator from the property, contacting law enforcement to increase police presence or develop other plans to keep the property safe, or seeking other legal remedies to prevent the perpetrator from acting on a threat. Restrictions predicated on public safety cannot be based on stereotypes, but must be tailored to particularized concerns about individual residents.

(e) *Emergency transfer plan.* Each covered housing provider, as identified in the programspecific regulations for the covered housing program, shall adopt an emergency transfer plan, no later than June 14, 2017 based on HUD's model emergency transfer plan, in accordance with the following:

(1) For purposes of this section, the following definitions apply:

(i) *Internal emergency transfer* refers to an emergency relocation of a tenant to another unit where the tenant would not be categorized as a new applicant; that is, the tenant may reside in the new unit without having to undergo an application process.

(ii) *External emergency transfer* refers to an emergency relocation of a tenant to another unit where the tenant would be categorized as a new applicant; that is the tenant must undergo an application process in order to reside in the new unit.

(iii) *Safe unit* refers to a unit that the victim of domestic violence, dating violence, sexual assault, or stalking believes is safe.

(2) The emergency transfer plan must provide that a tenant receiving rental assistance through, or residing in a unit subsidized under, a covered housing program who is a victim of domestic violence, dating violence, sexual assault, or stalking qualifies for an emergency transfer if:

(i) The tenant expressly requests the transfer; and

(ii)(A) The tenant reasonably believes there is a threat of imminent harm from further violence if the tenant remains within the same dwelling unit that the tenant is currently occupying; or

(B) In the case of a tenant who is a victim of sexual assault, either the tenant reasonably believes there is a threat of imminent harm from further violence if the tenant remains within the same dwelling unit that the tenant is currently occupying, or the sexual assault occurred on the premises during the 90-calendar-day period preceding the date of the request for transfer.

(3) The emergency transfer plan must detail the measure of any priority given to tenants who qualify for an emergency transfer under VAWA in relation to other categories of tenants seeking transfers and individuals seeking placement on waiting lists.

(4) The emergency transfer plan must incorporate strict confidentiality measures to ensure that the covered housing provider does not disclose the location of the dwelling unit of the tenant to a person who committed or threatened to commit an act of domestic violence, dating violence, sexual assault, or stalking against the tenant.

(5) The emergency transfer plan must allow a tenant to make an internal emergency transfer under VAWA when a safe unit is immediately available.

(6) The emergency transfer plan must describe policies for assisting a tenant in making an internal emergency transfer under VAWA when a safe unit is not immediately available, and these policies must ensure that requests for internal emergency transfers under VAWA receive, at a minimum, any applicable additional priority that housing providers may already provide to other types of emergency transfer requests.

(7) The emergency transfer plan must describe reasonable efforts the covered housing provider will take to assist a tenant who wishes to make an external emergency transfer when a safe unit is not immediately available. The plan must include policies for assisting a tenant who is seeking an external emergency transfer under VAWA out of the covered housing provider's program or project, and a tenant who is seeking an external emergency transfer under VAWA into the covered housing provider's program or project. These policies may include:

(i) Arrangements, including memoranda of understanding, with other covered housing providers to facilitate moves; and

(ii) Outreach activities to organizations that assist or provide resources to victims of domestic violence, dating violence, sexual assault, or stalking.

(8) Nothing may preclude a tenant from seeking an internal emergency transfer and an external emergency transfer concurrently if a safe unit is not immediately available.

(9) Where applicable, the emergency transfer plan must describe policies for a tenant who has tenant-based rental assistance and who meets the requirements of paragraph (e)(2) of this section to move quickly with that assistance.

(10) The emergency transfer plan may require documentation from a tenant seeking an emergency transfer, provided that:

(i) The tenant's submission of a written request to the covered housing provider, where the tenant certifies that they meet the criteria in paragraph (e)(2)(ii) of this section, shall be sufficient documentation of the requirements in paragraph (e)(2) of this section;

(ii) The covered housing provider may, at its discretion, ask an individual seeking an emergency transfer to document the occurrence of domestic violence, dating violence, sexual assault, or stalking, in accordance with §5.2007, for which the individual is seeking the emergency transfer, if the individual has not already provided documentation of that occurrence; and

(iii) No other documentation is required to qualify the tenant for an emergency transfer.

(11) The covered housing provider must make its emergency transfer plan available upon request and, when feasible, must make its plan publicly available.

(12) The covered housing provider must keep a record of all emergency transfers requested under its emergency transfer plan, and the outcomes of such requests, and retain these records for a period of three years, or for a period of time as specified in program regulations. Requests and outcomes of such requests must be reported to HUD annually.

(13) Nothing in this paragraph (e) may be construed to supersede any eligibility or other occupancy requirements that may apply under a covered housing program.

# §5.2007 Documenting the occurrence of domestic violence, dating violence, sexual assault, or stalking.

(a) Request for documentation. (1) Under a covered housing program, if an applicant or tenant represents to the covered housing provider that the individual is a victim of domestic violence, dating violence, sexual assault, or stalking entitled to the protections under 5.2005, or remedies under 5.2009, the covered housing provider may request, in writing, that the applicant or tenant submit to the covered housing provider the documentation specified in paragraph (b)(1) of this section.

(2)(i) If an applicant or tenant does not provide the documentation requested under paragraph (a)(1) of this section within 14 business days after the date that the tenant receives a request in writing for such documentation from the covered housing provider, nothing in §5.2005 or §5.2009, which addresses the protections of VAWA, may be construed to limit the authority of the covered housing provider to:

(A) Deny admission by the applicant or tenant to the covered housing program;

(B) Deny assistance under the covered housing program to the applicant or tenant;

(C) Terminate the participation of the tenant in the covered housing program; or

(D) Evict the tenant, or a lawful occupant that commits a violation of a lease.

(ii) A covered housing provider may, at its discretion, extend the 14-business-day deadline under paragraph (a)(2)(i) of this section.

(b) *Permissible documentation and submission requirements.* (1) In response to a written request to the applicant or tenant from the covered housing provider, as provided in paragraph (a) of this section, the applicant or tenant may submit, as documentation of the occurrence of domestic violence, dating violence, sexual assault, or stalking, any one of the following forms of documentation, where it is at the discretion of the tenant or applicant which one of the following forms of documentation to submit:

(i) The certification form described in §5.2005(a)(1)(ii); or

(ii) A document:

(A) Signed by an employee, agent, or volunteer of a victim service provider, an attorney, or medical professional, or a mental health professional (collectively, "professional") from whom the victim has sought assistance relating to domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse;

(B) Signed by the applicant or tenant; and

(C) That specifies, under penalty of perjury, that the professional believes in the occurrence of the incident of domestic violence, dating violence, sexual assault, or stalking that is the ground for protection and remedies under this subpart, and that the incident meets the applicable definition of domestic violence, dating violence, sexual assault, or stalking under §5.2003; or

(iii) A record of a Federal, State, tribal, territorial or local law enforcement agency, court, or administrative agency; or

(iv) At the discretion of a covered housing provider, a statement or other evidence provided by the applicant or tenant.

(2) If a covered housing provider receives documentation under paragraph (b)(1) of this section that contains conflicting information (including certification forms from two or more members of a household each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator), the covered housing provider may require an applicant or tenant to submit third-party documentation, as described in paragraphs (b)(1)(ii), (b)(1)(iii), or (b)(1)(iv) of this section, within 30 calendar days of the date of the request for the third-party documentation.

(3) Nothing in this paragraph (b) shall be construed to require a covered housing provider to request that an individual submit documentation of the status of the individual as a victim of domestic violence, dating violence, sexual assault, or stalking.

(c) *Confidentiality.* Any information submitted to a covered housing provider under this section, including the fact that an individual is a victim of domestic violence, dating violence, sexual assault, or stalking (confidential information), shall be maintained in strict confidence by the covered housing provider.

(1) The covered housing provider shall not allow any individual administering assistance on behalf of the covered housing provider or any persons within their employ (*e.g.*, contractors) or in the employ of the covered housing provider to have access to confidential information unless explicitly authorized by the covered housing provider for reasons that specifically call for these individuals to have access to this information under applicable Federal, State, or local law.

(2) The covered housing provider shall not enter confidential information described in paragraph (c) of this section into any shared database or disclose such information to any other entity or individual, except to the extent that the disclosure is:

(i) Requested or consented to in writing by the individual in a time-limited release

(ii) Required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program; or

(iii) Otherwise required by applicable law.

(d) A covered housing provider's compliance with the protections of §§5.2005 and 5.2009, based on documentation received under this section shall not be sufficient to constitute evidence of an unreasonable act or omission by the covered housing provider. However, nothing in this paragraph (d) of this section shall be construed to limit the liability of a covered housing provider for failure to comply with §§5.2005 and 5.2009.

# §5.2009 Remedies available to victims of domestic violence, dating violence, sexual assault, or stalking.

(a) *Lease bifurcation.* (1) A covered housing provider may in accordance with paragraph (a)(2) of this section, bifurcate a lease, or remove a household member from a lease in order to evict, remove, terminate occupancy rights, or terminate assistance to such member who engages in criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking against an affiliated individual or other individual:

(i) Without regard to whether the household member is a signatory to the lease; and

(ii) Without evicting, removing, terminating assistance to, or otherwise penalizing a victim of such criminal activity who is also a tenant or lawful occupant.

(2) A lease bifurcation, as provided in paragraph (a)(1) of this section, shall be carried out in accordance with any requirements or procedures as may be prescribed by Federal, State, or local law for termination of assistance or leases and in accordance with any requirements under the relevant covered housing program.

(b) Reasonable time to establish eligibility for assistance or find alternative housing following bifurcation of a lease—(1) Applicability. The reasonable time to establish eligibility under a covered housing program or find alternative housing is specified in paragraph (b) of this section, or alternatively in the program-specific regulations governing the applicable covered housing program. Some covered housing programs may provide different time frames than are specified in this paragraph (b), and in such cases, the program-specific regulations govern.

(2) Reasonable time to establish eligibility assistance or find alternative housing. (i) If a covered housing provider exercises the option to bifurcate a lease as provided in paragraph (a) of this section, and the individual who was evicted or for whom assistance was terminated was the eligible tenant under the covered housing program, the covered housing provider shall provide to any remaining tenant or tenants that were not already eligible a period of 90 calendar days from the date of bifurcation of the lease to:

(A) Establish eligibility for the same covered housing program under which the evicted or terminated tenant was the recipient of assistance at the time of bifurcation of the lease; or

(B) Establish eligibility under another covered housing program; or

(C) Find alternative housing.

(ii) The 90-calendar-day period provided by paragraph (b)(2) of this section will not be available to a remaining household member if the statutory requirements for the covered housing program prohibit it. The 90-day calendar period also will not apply beyond the expiration of a lease, unless this is permitted by program regulations. The 90-calendar-day period is the total period provided to a remaining tenant to establish eligibility under the three options provided in paragraphs (b)(2)(i)(A), (B), and (C) of this section.

(iii) The covered housing provider may extend the 90-calendar-day period in paragraph (b)(2) of this section up to an additional 60 calendar days, unless prohibited from doing so by statutory requirements of the covered program or unless the time period would extend beyond expiration of the lease.

(c) Efforts to promote housing stability for victims of domestic violence, dating violence, sexual assault, or stalking. Covered housing providers are encouraged to undertake whatever actions permissible and feasible under their respective programs to assist individuals residing in their units who are victims of domestic violence, dating violence, sexual assault, or stalking to remain in their units or other units under the covered housing program or other covered housing providers, and for the covered housing provider to bear the costs of any transfer, where permissible.

#### §5.2011 Effect on other laws.

(a) Nothing in this subpart shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, sexual assault, or stalking.

(b) All applicable fair housing and civil rights statutes and requirements apply in the implementation of VAWA requirements. See §5.105(a).

Attachment B

#### [Insert Name of Housing Provider<sup>1</sup>]

#### Notice of Occupancy Rights under the Violence Against Women Act<sup>2</sup>

#### **To all Tenants and Applicants**

The Violence Against Women Act (VAWA) provides protections for victims of domestic violence, dating violence, sexual assault, or stalking. VAWA protections are not only available to women, but are available equally to all individuals regardless of sex, gender identity, or sexual orientation.<sup>3</sup> The U.S. Department of Housing and Urban Development (HUD) is the Federal agency that oversees that [insert name of program or rental assistance] is in compliance with VAWA. This notice explains your rights under VAWA. A HUD-approved certification form is attached to this notice. You can fill out this form to show that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking, and that you wish to use your rights under VAWA."

#### **Protections for Applicants**

If you otherwise qualify for assistance under [insert name of program or rental assistance], you cannot be denied admission or denied assistance because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

#### **Protections for Tenants**

<sup>&</sup>lt;sup>1</sup> The notice uses HP for housing provider but the housing provider should insert its name where HP is used. HUD's program-specific regulations identify the individual or entity responsible for providing the notice of occupancy rights.

<sup>&</sup>lt;sup>2</sup> Despite the name of this law, VAWA protection is available regardless of sex, gender identity, or sexual orientation.

<sup>&</sup>lt;sup>3</sup> Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

If you are receiving assistance under [insert name of program or rental assistance], you may not be denied assistance, terminated from participation, or be evicted from your rental housing because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

Also, if you or an affiliated individual of yours is or has been the victim of domestic violence, dating violence, sexual assault, or stalking by a member of your household or any guest, you may not be denied rental assistance or occupancy rights under [insert name of program or rental assistance] solely on the basis of criminal activity directly relating to that domestic violence, dating violence, sexual assault, or stalking.

Affiliated individual means your spouse, parent, brother, sister, or child, or a person to whom you stand in the place of a parent or guardian (for example, the affiliated individual is in your care, custody, or control); or any individual, tenant, or lawful occupant living in your household.

#### Removing the Abuser or Perpetrator from the Household

HP may divide (bifurcate) your lease in order to evict the individual or terminate the assistance of the individual who has engaged in criminal activity (the abuser or perpetrator) directly relating to domestic violence, dating violence, sexual assault, or stalking.

If HP chooses to remove the abuser or perpetrator, HP may not take away the rights of eligible tenants to the unit or otherwise punish the remaining tenants. If the evicted abuser or perpetrator was the sole tenant to have established eligibility for assistance under the program, HP must allow the tenant who is or has been a victim and other household members to remain in the unit for a period of time, in order to establish eligibility under the program or under another HUD housing program covered by VAWA, or, find alternative housing.

In removing the abuser or perpetrator from the household, HP must follow Federal, State, and local eviction procedures. In order to divide a lease, HP may, but is not required to, ask you for documentation or certification of the incidences of domestic violence, dating violence, sexual assault, or stalking.

#### **Moving to Another Unit**

Upon your request, HP may permit you to move to another unit, subject to the availability of other units, and still keep your assistance. In order to approve a request, HP may ask you to provide documentation that you are requesting to move because of an incidence of domestic violence, dating violence, sexual assault, or stalking. If the request is a request for emergency transfer, the housing provider may ask you to submit a written request or fill out a form where you certify that you meet the criteria for an emergency transfer under VAWA. The criteria are:

(1) You are a victim of domestic violence, dating violence, sexual assault, or stalking. If your housing provider does not already have documentation that you are a victim of domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation, as described in the documentation section below.

(2) You expressly request the emergency transfer. Your housing provider may choose to require that you submit a form, or may accept another written or oral request.

(3) You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit. This means you have a reason to fear that if you do not receive a transfer you would suffer violence in the very near future. You are a victim of sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer. If you are a victim of sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you expressly request the transfer.

HP will keep confidential requests for emergency transfers by victims of domestic violence, dating violence, sexual assault, or stalking, and the location of any move by such victims and their families.

HP's emergency transfer plan provides further information on emergency transfers, and HP must make a copy of its emergency transfer plan available to you if you ask to see it.

# Documenting You Are or Have Been a Victim of Domestic Violence, Dating Violence, Sexual Assault or Stalking

HP can, but is not required to, ask you to provide documentation to "certify" that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking. Such request from HP must be in writing, and HP must give you at least 14 business days (Saturdays, Sundays, and Federal holidays do not count) from the day you receive the request to provide the documentation. HP may, but does not have to, extend the deadline for the submission of documentation upon your request. You can provide one of the following to HP as documentation. It is your choice which of the following to submit if HP asks you to provide documentation that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

- A complete HUD-approved certification form given to you by HP with this notice, that documents an incident of domestic violence, dating violence, sexual assault, or stalking. The form will ask for your name, the date, time, and location of the incident of domestic violence, dating violence, sexual assault, or stalking, and a description of the incident. The certification form provides for including the name of the abuser or perpetrator if the name of the abuser or perpetrator is known and is safe to provide.
- A record of a Federal, State, tribal, territorial, or local law enforcement agency, court, or administrative agency that documents the incident of domestic violence, dating violence, sexual assault, or stalking. Examples of such records include police reports, protective orders, and restraining orders, among others.
- A statement, which you must sign, along with the signature of an employee, agent, or volunteer of a victim service provider, an attorney, a medical professional or a mental health professional (collectively, "professional") from whom you sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse, and with the professional selected by you attesting under penalty of perjury that he or she believes that the incident or incidents of domestic violence, dating violence, sexual assault, or stalking are grounds for protection.
- Any other statement or evidence that HP has agreed to accept.

If you fail or refuse to provide one of these documents within the 14 business days, HP does not have to provide you with the protections contained in this notice.

If HP receives conflicting evidence that an incident of domestic violence, dating violence, sexual assault, or stalking has been committed (such as certification forms from two or more members of a household each claiming to be a victim and naming one or more of the other petitioning household members as the abuser or perpetrator), HP has the right to request that you provide third-party documentation within thirty 30 calendar days in order to resolve the conflict. If you fail or refuse to provide third-party documentation where there is conflicting evidence, HP does not have to provide you with the protections contained in this notice.

#### Confidentiality

HP must keep confidential any information you provide related to the exercise of your rights under VAWA, including the fact that you are exercising your rights under VAWA.

HP must not allow any individual administering assistance or other services on behalf of HP (for example, employees and contractors) to have access to confidential information unless for reasons that specifically call for these individuals to have access to this information under applicable Federal, State, or local law.

HP must not enter your information into any shared database or disclose your information to any other entity or individual. HP, however, may disclose the information provided if:

- You give written permission to HP to release the information on a time limited basis.
- HP needs to use the information in an eviction or termination proceeding, such as to evict your abuser or perpetrator or terminate your abuser or perpetrator from assistance under this program.
- A law requires HP or your landlord to release the information.

VAWA does not limit HP's duty to honor court orders about access to or control of the property. This includes orders issued to protect a victim and orders dividing property among household members in cases where a family breaks up.

#### Reasons a Tenant Eligible for Occupancy Rights under VAWA May Be Evicted or

#### Assistance May Be Terminated

You can be evicted and your assistance can be terminated for serious or repeated lease violations that are not related to domestic violence, dating violence, sexual assault, or stalking committed against you. However, HP cannot hold tenants who have been victims of domestic violence, dating violence, sexual assault, or stalking to a more demanding set of rules than it applies to tenants who have not been victims of domestic violence, dating violence, sexual assault, or stalking.

The protections described in this notice might not apply, and you could be evicted and your assistance terminated, if HP can demonstrate that not evicting you or terminating your assistance would present a real physical danger that:

1) Would occur within an immediate time frame, and

2) Could result in death or serious bodily harm to other tenants or those who work on the property.

If HP can demonstrate the above, HP should only terminate your assistance or evict you if there are no other actions that could be taken to reduce or eliminate the threat.

#### **Other Laws**

VAWA does not replace any Federal, State, or local law that provides greater protection for victims of domestic violence, dating violence, sexual assault, or stalking. You may be entitled to

additional housing protections for victims of domestic violence, dating violence, sexual assault,

or stalking under other Federal laws, as well as under State and local laws.

#### Non-Compliance with The Requirements of This Notice

assistance, if needed, by contacting or filing a complaint with [insert contact information for

#### any intermediary, if applicable] or [insert HUD field office].

OMB Approval No. 2577-0286 Exp. 06/30/2017

**Purpose of Form:** The Violence Against Women Act ("VAWA") protects applicants, tenants, and program participants in certain HUD programs from being evicted, denied housing assistance, or terminated from housing assistance based on acts of domestic violence, dating violence, sexual assault, or stalking against them. Despite the name of this law, VAWA protection is available to victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

**Use of This Optional Form:** If you are seeking VAWA protections from your housing provider, your housing provider may give you a written request that asks you to submit documentation about the incident or incidents of domestic violence, dating violence, sexual assault, or stalking.

In response to this request, you or someone on your behalf may complete this optional form and submit it to your housing provider, or you may submit one of the following types of third-party documentation:

(1) A document signed by you and an employee, agent, or volunteer of a victim service provider, an attorney, or medical professional, or a mental health professional (collectively, "professional") from whom you have sought assistance relating to domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse. The document must specify, under penalty of perjury, that the professional believes the incident or incidents of domestic violence, dating violence, sexual assault, or stalking occurred and meet the definition of "domestic violence," "dating violence," "sexual assault," or "stalking" in HUD's regulations at 24 CFR 5.2003.

(2) A record of a Federal, State, tribal, territorial or local law enforcement agency, court, or administrative agency; or

(3) At the discretion of the housing provider, a statement or other evidence provided by the applicant or tenant.

**Submission of Documentation:** The time period to submit documentation is 14 business days from the date that you receive a written request from your housing provider asking that you provide documentation of the occurrence of domestic violence, dating violence, sexual assault, or stalking. Your housing provider may, but is not required to, extend the time period to submit the documentation, if you request an extension of the time period. If the requested information is not received within 14 business days of when you received the request for the documentation, or any extension of the date provided by your housing provider, your housing provider does not need to grant you any of the VAWA protections. Distribution or issuance of this form does not serve as a written request for certification.

**Confidentiality:** All information provided to your housing provider concerning the incident(s) of domestic violence, dating violence, sexual assault, or stalking shall be kept confidential and such details shall not be entered into any shared database. Employees of your housing provider are not to have access to these details unless to grant or deny VAWA protections to you, and such employees may not disclose this information to any other entity or individual, except to the extent that disclosure is: (i) consented to by you in writing in a time-limited release; (ii) required for use in an eviction proceeding or hearing regarding termination of assistance; or (iii) otherwise required by applicable law.

# EMERGENCY TRANSFER<br/>REQUEST FOR CERTAIN<br/>VICTIMS OF DOMESTICU.S. Department of Housing<br/>and Urban DevelopmentVIOLENCE, DATING VIOLENCE,<br/>SEXUAL ASSAULT, OR STALKING

OMB Approval No. 2577-0286 Exp. 06/30/2017

**Purpose of Form:** If you are a victim of domestic violence, dating violence, sexual assault, or stalking, and you are seeking an emergency transfer, you may use this form to request an emergency transfer and certify that you meet the requirements of eligibility for an emergency transfer under the Violence Against Women Act (VAWA). Although the statutory name references women, VAWA rights and protections apply to all victims of domestic violence, dating violence, sexual assault or stalking. Using this form does not necessarily mean that you will receive an emergency transfer. See your housing provider's emergency transfer plan for more information about the availability of emergency transfers.

#### The requirements you must meet are:

(1) You are a victim of domestic violence, dating violence, sexual assault, or stalking. If your housing provider does not already have documentation that you are a victim of domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation. In response, you may submit Form HUD-5382, or any one of the other types of documentation listed on that Form.

(2) You expressly request the emergency transfer. Submission of this form confirms that you have expressly requested a transfer. Your housing provider may choose to require that you submit this form, or may accept another written or oral request. Please see your housing provider's emergency transfer plan for more details.

(3) You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit. This means you have a reason to fear that if you do not receive a transfer you would suffer violence in the very near future.

#### OR

You are a victim of sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer. If you are a victim of sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you submit this form or otherwise expressly request the transfer.

**Submission of Documentation:** If you have third-party documentation that demonstrates why you are eligible for an emergency transfer, you should submit that documentation to your housing provider if it is safe for you to do so. Examples of third party documentation include, but are not limited to: a letter or other documentation from a victim service provider, social worker, legal assistance provider, pastoral counselor, mental health provider, or other professional from whom you have sought assistance; a current restraining order; a recent court order or other court records; a law enforcement report or records; communication records from the perpetrator of the violence or family members or friends of the perpetrator of the violence, including emails, voicemails, text messages, and social media posts.

Form HUD-5383 (12/2016)

**Confidentiality:** All information provided to your housing provider concerning the incident(s) of domestic violence, dating violence, sexual assault, or stalking, and concerning your request for an emergency transfer shall be kept confidential. Such details shall not be entered into any shared database. Employees of your housing provider are not to have access to these details unless to grant or deny VAWA protections or an emergency transfer to you. Such employees may not disclose this information to any other entity or individual, except to the extent that disclosure is: (i) consented to by you in writing in a time-limited release; (ii) required for use in an eviction proceeding or hearing regarding termination of assistance; or (iii) otherwise required by applicable law.

# Prince William Area Continuum of Care Emergency Transfer Plan Notice

In accordance with the Violence Against Women Act (VAWA), the Prince William Area Continuum of Care has developed an emergency transfer plan that allows participants or tenants who are victims of domestic violence, dating violence, sexual assault, stalking or human trafficking to request an emergency transfer from their current unit to another unit.

If you believe there is a threat of imminent harm from further violence if you were to remain in the same dwelling that is covered by the plan, OR if you were a victim of sexual assault that occurred on the premises in the last 90 days, you may request an emergency transfer.

To request an emergency transfer, please notify the case worker or manager of the program where you are residing or receiving assistance from. They will work with you to submit a written request.

The full Emergency Transfer Plan is attached.
