# ADVENTURE BEGINS AT YOUR LIBRARY™

## What adventures will you discover at the library this summer?

To register for Summer Reading, visit any of our 12 libraries, register online at [pwcva.gov/library](http://pwcva.gov/library), or use the Beanstack Tracker app on your smartphone. You can even earn a registration prize just by signing up!

Use the grid below to track your reading. For every 20 minutes you read, color in a square. After you've read for 500 minutes, come into the library to pick out a free book to keep and be entered in a prize drawing. Prizes are available while supplies last.
