

JMT/PWC – Bi-weekly Update

Thursday, August 22, 2024

Attendees: Wade Hugh, Amanda Fink, Ed Davidson, Jenn Cinelli-Miller, David Straw

1. DCOAG residents Draft Noise Ordinance Presentation

- a. Discussed the DCOAG's position that we are not ready for a community meeting. The draft Noise Ordinance is not effective as written.
- b. JMT is developing a list of recommended State legislative changes to help strengthen the County's Noise Ordinance.
- c. Reviewed and discussed the presentation compiled by the residential members on the DCOAG. The presentation highlighted concerns with the current draft Noise Ordinance.
- d. Discussed keeping in mind of the potential unintended consequences of making changes to the Noise Ordinance changes, as the Ordinance does not only pertain to data centers.
- e. Amanda will setup subfolders for each Task on the SharePoint. This will allow JMT to upload their documents as each Task is completed.

2. Draft Noise Ordinance Timeline

- a. Next scheduled meeting is September 11. JMT will be ready to present.
- b. Will setup an additional check in meeting for next week
