Community Outreach Table

Are you passionate about strengthening families and empowering parents to be their best? Do you want to make a positive impact in your community? Do you enjoy volunteering?

If yes, we invite motivated individuals like you to consider volunteering to teach our research based Systematic Training for Effective Parenting (STEP) classes.

Or if you don't think teaching is your thing, we also need community outreach volunteers and office volunteers to assist with light administrative duties.

**Parent Education Volunteers are** retirees, teachers, parents, life coaches, and caring professionals with a sense of direction, responsiveness, follow-through and persuasiveness. They have a passion to equip moms, dads and grandparents with the knowledge and tools to become even better caregivers.

### Let's get started:

#### Step 1. Register for a virtual orientation
