Old Business:

- G Manno provided an overview of expanding composting opportunities in the county. G Manno met with county and school staff to discuss. It was recommended that schools put out a bid to vendors to procure composting services that meet the school's hauling needs if the program expands to the east side of the county.

New Business:

- J Weimer suggested potential collaboration between county and schools on solar procurement.

Member Time: None

Departmental Reports:

- G Manno updated that the Board voted to initiate the Sustainability and Resilience Comprehensive Plan Amendment during the May 14th board meeting. This amendment will ensure that the Comp Plan actions in the CESMP, and Emergency Management priorities are in alignment. The Planning Office is in the process of creating a scope of work to bring on consultants to develop the amendment.
- J Weimer shared that Elizebeth Vaughn Elementary and Dale City Elementary earned their green schools ribbon.
