

# WANT TO GO SOLAR?

Installing solar is more affordable now than ever! Through the Federal Residential Solar Tax Credit, taxpayers can claim a 30 percent tax credit on the cost of solar systems. Additionally, Prince William County offers a Solar Energy Systems Tax Exemption for solar energy equipment, facilities or devices.

## POTENTIAL ADVANTAGES TO GOING SOLAR<sup>1</sup>

- Lower your energy bills
- Increase your home value
- Reduce GHG emissions from home electric use
- Can be paired with battery storage so you have power during a grid outage
