Thank YOU for Sharing Your Portfolios with Us!

Staff at PW 4-H Headquarters truly enjoy reading our 4-H'ers project records and portfolios. We're excited to see what you learned and how you've grown from your individual experiences in 4-H. By documenting your journey in 4-H, you're learning important life skills, documenting your experiences for your 4-H resume, and creating a memory keepsake. You're also helping the staff at PW 4-H improve experiences in activities and events. Check out this quote from 11-year-old Lee C.'s 4-H Story after his first year with a club:

Benton Middle School 4-H Club

Last Wednesday, Benton Middle School 4-H Club took a field trip to Yankey Farm to dive into the 4-H Pillar of Agriculture. 6th Grade Science Teacher Ms. Cook is our newest club's adult leader.

Farmer Jay gave the 4-H'ers a behind-the-scenes detailed tour where they learned about growing pumpkins. The 4-H'ers had an exciting wagon ride around the farm, driven by Wilson, a 4-H college exchange student from Chile!

They also meet an adorable calf named Firestorm. Ms. Cook's daughter Emily leases the calf from Yankey Farm. We heard a lot of mischievous tales about Firestorm! You might remember Emily from Prince William 4-H Fair Camp where she sang the National Anthem and gave barn tours to campers.

A HUGE THANK YOU to Yankey Farm for the educational, entertaining, and beautiful outdoor day at the farm!

FOLLOW UP: BMS 4-H Club members, be sure to make notes of your experience and save photos for your 4-H Project Record!

October 27, 2024. Over the past week, Trigger Time 4-H gave their best effort in the fourth match of the National Sporter Air Rifle League, posting their highest score of the season. Contributing to the team score were Rebecca Ahrens (287), Tanner Ridings (279.3), Lexi Strand (277.7), and Noah Richter (268.7). The highest standing shot this week was Lexi Strand with a 10.6. Rebecca Ahrens and Koa Mintz tied for the second highest shot each hitting a 10.3. Setting personal season records this week were Tanner Ridings, Sophie Carter, and Aisling Mintz. Trigger Time is currently ranked 18th in the league with a record of 2-2.

October 1st began the new 4-H year. Last Saturday, the club members sorted and took inventory of all the team gear and cleaned the equipment trailers. Thank you to everyone who assisted in the project. Trigger Time is ready for another great 4-H year!

VIRGINIA 4-H ALL STARS

Celebrating 102 Years

What is a Virginia 4-H All Star?

Virginia 4-H All Stars is an honor/service organization for teen and adult leaders who are actively involved in expanding and enhancing the 4-H programs in their communities and statewide. Membership with Virginia 4-H All Stars is the highest recognition that a 4-H'er in Virginia can achieve.

Virginia 4-H All Stars contribute to positive youth development through service locally and statewide. 4-H members begin their story by gaining knowledge through trainings and experiences, and then utilize their knowledge to provide leadership and life skills to other 4-H participants. Members that have transitioned into applying their 4-H knowledge and skills into leadership roles and promote "Making the Best Better," can apply to become an All Star. Applicants should have at least 3 years experience with 4-H and be between 15 and 19 years-old.

Together We Serve

Members inducted into the Virginia Chapter of 4-H All Stars are dedicated to serving their local 4-H community. Working together as All Stars, youth make an impact in developing self-motivated youth and implementing interactive youth development education programs for all of Virginia. All Stars strive for better understanding, patience, dedication and unselfish service to fellow 4-H members and 4-H programs. Virginia 4-H All Stars may attend additional events and apply for additional scholarships specific to Virginia 4-H All Stars.

You Can Be a Virginia 4-H All Star!

Review the Virginia 4-H All Star application and then contact Prince William 4-H Extension Agent MaryBeth Lerch for more information on the application process. You will continue to grow your leadership skills as you work towards applying for this honor.

Nature

Discover Your Inner Trailblazer

NOVA 4-H Nature Club is a new, multi-county youth leadership club focused on learning about nature, exploring local natural areas, and using that knowledge to preserve habitat, become change agents for environmental awareness and conservation, and take a leadership role in the community. Interested teens have the opportunity to participate in Envirothon & WHEP competitions. The leader, Joy Green, is a Master Naturalist with Prince William County who lives in Stafford County.

Here's the weekly plan for each month:

WEEK 1 - Topic Overview (virtual): During the first few weeks of each month, we will introduce the monthly topic and discuss logistics for our monthly outing.

WEEK 2 or 3 - Outing (in-person): We will visit sites in the NoVA area related to the monthly topic (for example, a bird walk for Ornithology month or visit a river for fish and river habitats for Ichthyology month). These may be led by a Master Naturalist, Park Ranger, or an expert in the field.

WEEK 4 - 4-H Business Meeting (hybrid): During each month, we will hold 4-H Club Member meetings to plan group service projects and fundraisers (if desired). Club members will prepare short presentations on topics and will discuss ways to represent this club in the NoVA area and beyond.
