

Moseley and PWC Bi-Weekly Meeting
October 31, 2024

Attendees:

Moseley Team: Michael Gibson, Rachel Falkenstien, Lauren Witt, Tony Bell

PWC Staff: David McGettigan, Wade Hugh, Mandi Spina, Melody Aguilera

Discussed the possibility of adding site grading restrictions but will need to do more research and consult with engineers.

- May help with the height issues for the data centers and with the visibility from residential areas.

Explore whether the berm and grading requirements are too restrictive

- To allow more on-site management of material instead of it being hauled away.

Nov 6 Meeting with DCOAG

- Presentation and follow with feedback from DCOAG
- Will use Menti Meter for feedback only and will remain open to allow members to participate
- Moseley's draft recommendations will be sent to the DCOAG before the meeting on Wednesday, November 6.

What's next:

- Moseley will meet with the PWC Planning office to discuss more about the overlay
- Moseley to have a meeting with JMT to discuss the draft Noise ordinance
- Discuss the community meeting
