Youth & Volunteer Applications: 2025 VA 4-H Dominican Republic Program

The Virginia 4-H Program in the Dominican Republic is now accepting applications from Virginia 4-H teens and 4-H volunteers! This program started as a grassroots, county based program, which is now in its 17th year. It has been open to 4-H'ers statewide for a few years now. During 2025, Christine Hodges and I will be taking two different 4-H teen groups to the Dominican Republic for one week each. Applications are open to all 9th-12th grade 4-H teens in Virginia. Since one main focus of our program in the Dominican Republic is conducting a 4-H Day Camp for Dominican children, this program may especially appeal to your 4-H Camp Counselors. A recommendation from the 4-H delegate's Extension Agent or Program Assistant is a required part of the application, and it is their responsibility to ask you for that recommendation and follow up to be sure it is submitted.

[Click here for the YOUTH APPLICATION.](#)

The deadline to apply is February 25, 2025, but we would appreciate receiving applications sooner if possible. Applications will be reviewed and the participants will be notified in early March if they are selected or are on a waiting list. The program cost is \$2,600, with \$1,000 of that due as a deposit on March 17. If they don't have a passport, they should gather the needed documents now and be prepared to apply for a passport as soon as they receive notice that they are accepted for the program. Receiving a passport is a slow, but important process. They cannot board the plane without a passport.

We will also be able to accept a couple of Adult 4-H Volunteers for this program. [Click here for the ADULT APPLICATION.](#) Current 4-H volunteer enrollment and three reference letters are required for adult applicants.

Every year we have 4-H'ers write a blog and share photos. That is probably the best way to learn more about the program, so have your interested members take a look at the 2024 blogs:

- To host a youth delegate, a host family must have a child that will serve as a host sibling. The host siblings need to be within 4 years of age of a delegate. Last year our delegates were all in the 13-16 year old age range.
- Families who do not have children can host adult chaperones. We will have 2 adult chaperones in 2025 and will need at least 2 host families for these chaperones.
- Families must have an adult home most of the time during the exchange period. This opportunity will not work for families where all of the adults work outside of the home at the same time.
