

**JMT and PWC Staff
Bi-Weekly Meeting
Jan 24, 2025**

Attendees: Attendees: Wade Hugh, David Nelson, Ed Davidson, Jennifer Cinelli-Miller, Melody Aguilera

Check-in

- Discussed Noise Measurement scheduled for 01.29.2025
- Discuss the Board Presentation materials that will need to be sent to the Clerk to the Board the week of February 3

If the County requires a commercial facility for sound study

- Discussed using a model to gather data
- Discussed thresholds +5 dBA impacts vs Contribution +5dBA to a single facility

The noise model would need to be added to the County Zoning Ordinance. This will need to be coordinated between Moseley and JMT.

- Enforcement perspective
 - Suggested having a list of violations with fines and timelines
 - Civil penalties will not be able to be used for industrial and commercial use. These violations will be criminal
 - The Commonwealth Attorney's Office will need to be updated on the Noise Ordinance update
- Discussed a few items to follow with legal
 - The classification of data centers as industrial users
 - Discussed using building square footage as a trigger for the industrial/commercial noise ordinance.
 - Discussed the possibility of hospitals and schools being exempt because they are institutional uses.

Check out

- David will follow up with vibration noise
- Next meeting- January 29 – 31 Travel to PWC for Noise Measurements
