Teams

Attendees: Moseley Architects: Rachel Falkenstein, Chris Roman, Michael Gibson

PWC: Wade Hugh, Tony Alston, Amanda Fink, Melody Aguilera

Check-in

- Moseley asked for clarification on the siting discussion, since the DCOAG brought this up again. Moseley team wants clear direction on whether or not they are responsible for addressing siting. Wade clarified by stating that siting would be handled by the Planning Office in conjunction with a consultant.
- Updated Moseley on the status of the draft Noise Ordinance.
 - County Agencies are reviewing the Noise Ordinance and presentation.
 - A presentation will be given to the Board of County Supervisors on March 18.
- Discussed the possibility of coordinating a meeting with JMT to review the noise measurement data, which would support the setback recommendations with scientific evidence.
- Rachel will be visiting the County on Friday, February 21 to review site plans for recently approved projects.
- Discussed Moseley Architects' timeframe and community meeting.
 - The next meeting with DCOAG will be on March 12, 2025
- Discussed the deliverables to DCOAG
 - Will present the content to DCOAG and request feedback.
