**Violence Against Women Act (VAWA) Goals.** Provide a statement of the PHA's goals, activities, objectives, policies, or programs that will enable the PHA to serve the needs of child and adult victims of domestic violence, dating violence, sexual assault, or stalking.

The Prince William County Office of Housing and Community Development (OHCD) will promote and abide by the VIOLENCE AGAINST WOMEN'S ACT (VAWA) that was signed by President Bush on January 5, 2006. OHCD will support or assist victims of domestic violence, dating violence, sexual assault, stalking, economic abuse, technological abuse and/or others as required by the law to prevent them from losing their HUD-assisted housing as a consequence of the abuse of which they were the victim. OHCD will adhere to HUD requirements regarding the VAWA pertaining to Public Housing and Housing Choice Voucher Program (formally referred to as Section 8). VAWA 2013 expanded notification requirements to include the obligation for PHAs to provide applicants who are denied assistance with a notice of rights and the form HUD-5382 at the time the applicant is denied.

OHCD will take action to protect the safety and welfare of all our residents when repeated offenses occur. In the event the victim being protected shows a willingness to continue relationships with such abusers, continues to have them as guests in their home and incidents continue to occur, the victim could be evicted in order to protect other residents.

A description of: 1) Any activities, services, or programs provided or offered by an agency, either directly or in partnership with other service providers, to child or adult victims of domestic violence, dating violence, sexual assault, or stalking, economic and technological abuse; 2) Any activities, services, or programs provided or offered by a PHA that helps child and adult victims of domestic violence, dating violence, sexual assault, or stalking, economic and technological abuse to obtain or maintain housing; and 3) Any activities, services, or programs provided or offered by a public housing agency to prevent domestic violence, dating violence, sexual assault, stalking, economic and technological abuse or to enhance victim safety in assisted families.

The Act has been reviewed and OHCD applies that statute of the law concerning occupancy issues and termination proceedings. Under current Preference Standards, applicants on the waiting list are identified as domestic violence victims and receive a Preference 1 rating if they also live and/or work in Prince William County. Sensitivity to issues of domestic violence is also considered as one of the factors in the determination of a voucher issuance in instances of split housings assisted by the Housing Choice Voucher program. OHCD refers clients to various County Agencies as well as to local nonprofit agencies such as Action in Community Shelter (ACTS), and Northern Virginia Family Services/Serve Housing Programs that provides domestic violence assistance /services.

OHCD also provides owners with VAWA information during our monthly new landlord orientations; we also provide VAWA information at recertification and during the initial certification process. This information includes but not limited to:

Provide a statement of the PHA's strategies and actions to achieve fair housing goals outlined in an accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5). Until such time as the PHA is required to submit an AFH, the PHA is not obligated to complete this chart. **Fair Housing Goal:**

***Describe fair housing strategies and actions to achieve the goal***

OHCD works closely with the PWC Human Rights Commission to ensure proper Fair Housing information distribution to program applicants and participants. As part of the briefing process, OHCD provides HCV program applicants with pertinent information and informational brochures about fair housing requirements as well. Fair Housing posters are visible in prominent areas at our OHCD offices. Also, OHCD consults with PWC Human Rights Office, the PWC Attorney, and HUD field office to seek guidance and/or clarity on issues where owner lease requirements may appear ambiguous and/or discriminatory. OHCD includes in all recertification packets a brochure of Fair Housing Rights as a measure to increase awareness and assistance. Since FY18 through FY23 OHCD has provided funding through the Community Development Block Grant (CDBG) to the PWC Human Rights Commission to conduct fair housing testing, marketing, and outreach to the community, and intends to continue this funding for Fair Housing activities. In FY21 OHCD contracted with Washington Council of Government(s) COG for a Metro Regional Analyst of Impediments to Fair housing Choices, which has been finalized this current fiscal year and is now available on both COG's website <https://www.mwco.org/documents/2023/11/15/metropolitan-washington-regional-fair-housing-plan-equity-fair-housing-housing/> and Prince William County Office of Housing and Community Development website, <https://www.pwcva.gov/department/housing-community-development>

In FY21 Prince William County government in partnership with the Board of County Supervisors created the Office of Equity and Inclusion, which in partnership with executive management, departments, and the community assists to provide leadership, guidance, and coordination for the organization's continuing efforts toward building an inclusive culture, where diversity is leveraged as a strength to promote an equitable and inclusive culture for both our workforce and how we deliver services to residents, businesses, and visitors.

**Fair Housing Goal:**

***Describe fair housing strategies and actions to achieve the goal***

***Supply of affordable housing***

- Prince William County should continue to work with local developers and non-profit organizations to expand the stock of affordable housing. Attention should be given to increasing the production of new affordable housing units and assistance toward the purchase and renovation of housing in existing neighborhoods. Greater emphasis should be placed on capacity building and technical assistance initiatives aimed at expanding non-profit, faith-based organizations and private developers' production activities in the County and expanding resources for housing.
- In an effort to expand local resources, research and consider as one particular policy change, inclusionary zoning (inclusionary housing), as one alternative means of promoting balanced housing development.
- The County, in coordination with local Chamber of Commerce, should encourage major employers and lenders to design and implement Employer-Assisted Housing (EAH) programs, encouraging employers to work with employees in their efforts to purchase housing.
- Prince William County has provided a Housing Chapter in its 2040 Comprehensive Plan, addressing Affordable Housing issues within the County for both acquisition and multi-family. The Office of Housing, the Planning and Zoning Division and Leadership Team collaboratively are working together to create an Affordable Housing Ordinance and a Housing Trust Fund program.
