Audit Services

Audit Services is an independent function of Prince William County government that monitors, evaluates, reviews, and conducts tests of the County’s system of internal controls designed by management to provide reasonable assurance that (1) County operations are effective, efficient, economical, and ethical; (2) financial statement records and reports are accurate, reliable, and complete; and (3) County personnel, programs, agencies, departments, and offices comply with all applicable laws and regulations. Audit Services also conducts independent internal investigations based on information provided by others, including callers to a voicemail hotline, at (703) 792-6884, for reporting fraud, waste, or abuse of County resources.

Audit Services works for the BOCS and the Board Audit Committee (BAC). The BAC is a committee the BOCS established to assist with governance and oversight responsibilities. All members of the BOCS comprise the BAC, which consists of three regular voting members and five alternate members.
