### FFMCareerEX Internship Safety Acknowledgement

Safety is a top priority within the Department of Facilities and Fleet Management (FFM). Applicants under 18 years of age will not be considered unless the intern and their parent or legal guardian sign this acknowledgment form.

All FFMCareerEX activities will be closely supervised. Duties may include riding as a passenger in County vehicles or visits to construction sites and the automotive garage. Interns will not be permitted to perform any activities prohibited for minors under the Fair Labor Standards Act (FLSA). The intern agrees to follow all safety regulations set by Prince William County, OSHA, and FLSA. Interns under 18 will not be allowed to perform hazardous tasks or operate machinery that the Department of Labor and Industry deems unsafe for minors. They will be informed of any hazardous conditions on their first day and throughout the internship.

By signing this form, both the intern and their parent or legal guardian confirm their understanding of the potential safety risks involved in working in environments where maintenance tasks, tools, and equipment are in use.

### FFMCareerEX Photo Release

I acknowledge that photographs and/or videos may be taken during my participation in the FFMCareerEX program. These images may be used for promotional or training purposes within FFM, PWC, and potentially shared with the public.

By signing this form, I grant PWC FFM, its representatives, and employees permission to capture photographs and/or videos of me and my property in relation to my assignment. I further authorize PWC, FFM, and their affiliates to copyright, use, and publish these images in print and/or electronically. I agree that PWC FFM may use photographs and videos of me, with or without my name, for any lawful purpose, including publicity, illustration, advertising, training, and online content.
