**Re: Officer Involved Shooting – PD 240027560
August 1, 2024**

Dear Chief Newsham:

At approximately 6:00 AM on August 1, 2024, the Office of the Commonwealth's Attorney was notified that an officer involved shooting had occurred at 3016 Bromley Court in Prince William County. We were advised that the incident involved an armed suicidal suspect that resulted in an hours-long standoff and eventually ended when a Prince William County officer discharged his rifle and killed the suspect.

The incident was investigated by detectives and supervisors from the CIRT ("Critical Incident Response Team") who presented us with their findings. In this office, myself, Chief Deputy Kristina L. Robinson, and Deputy William A. Boge took part in the review of the evidence and evaluation as to whether or not criminal charges would be brought against the officer involved.

I am writing to advise that we have completed the review of the incident and subsequent evaluation and will not be proceeding with any criminal charges against the Officer involved in the shooting. Please let me know if you have additional questions.

Very truly yours,
